Re: *Goldstein, et al. v. Solucorp, et al.*  
7:11-cv-06227 (VB) – Hearing on December 14, 2015

Dear Judge Briccetti:

Having received and reviewed a copy of the transcript from the November 18, 2015 conference regarding the above-referenced case, I respectfully request that I be able to attend the hearing on December 14, 2015, by telephone due to severe financial conditions.

On December 8<sup>th</sup>, we have a hearing at which time the judge will be setting the sale date for our home resulting from foreclosing on the property. My wife and I are unable to qualify for a modification and we are on the verge of total bankruptcy. I have no available credit and no savings or assets. I am unable to pay my basic monthly bills and always behind with my payments and under the constant threat of my utilities being disconnected. I do not have any family members that are in any position to assist me. Furthermore, I am the only party in this case that resides outside of New York. I absolutely have no way to travel to New York. After taxes and health insurance, my paycheck is approximately \$320.00 per week and I work six days a week.

In regard to the hearing that took place on November 18, I received notice of that hearing on November 18 at the end of the day. The date on the notice was November 16, 2015. I would have gladly participated in this hearing if I would have had timely notice. I have spoken to Michael Rudick and explained my situation. I appreciate your consideration of my request.

Very truly yours,

*Richard P. Greene*
